Introduction of New Ownership

After nearly forty years of dedication to the business, we have decided that it is time for us to close this segment of our lives and look forward to what the next has to offer. I would like to thank you for the productive relationship we have enjoyed and your loyalty to Butterfly Sprinkler Products over the years.

It is our pleasure to introduce Peter and Tammie Douglass, who will be taking over the reins effective September 15, 2014. Although it is difficult to let go, we are relieved to have energetic new ownership, who share our fundamental business model based on delivering high quality products coupled with solid customer service. In anticipation of this transition, we have been working closely with Peter and Tammie over the past months to ensure your needs will continue to be supported in the future. We are confident that you will find Peter & Tammie a pleasure to work with.

We thank you for your business support over the years. It was our pleasure to have been of service to you and we wish you continued success in the years to come.

Proprietors-Retired

“We are very excited to carry on the Butterfly Sprinkler Products legacy locally in the West Kootenays. Frank and Gail have proven that it is possible for a small business to be competitive if you maintain the basic principles of quality and customer service. We hope you will give us the opportunity to prove that we can deliver on those principles.”
